

Big Group Hug collects sorts and distributes new and pre loved items from newborn to school age children. If you're awash with baby/children's goods that you no longer need, but know they have plenty of life left in them; why not think about donating them? Below is the list of items we can and cannot rehome. If you would like to donate any items to Big Group Hug, please email [donategoods@biggrouphug.org](mailto:donategoods@biggrouphug.org) to find your nearest drop off point.
